

## Internal fishing regulation 2024

Fishing rights are granted exclusively to residents of the campsite and to external members who have previously paid for fishing rights.

- Fishing is authorized in the waters considered by means of: 2 dedicated lines for carp fishing and a line fitted with a float rod held in the hand under the immediate and permanent supervision of the holder of the right to fish.
- The above provisions are valid for a campsite pitch, motorhome or accommodation rental (not for each person).
- With regard to article R.436.13 of the environment code, fishing cannot be carried out more than half an hour before sunrise and up to half an hour after sunset. **Night fishing is prohibited.**
- **Any additional rod in fishing action will be systematically invoiced 10€.**
- The hooks will be simple and barbless.
- The fishing is practiced « NO KILL ». The fish will be put back in the water as soon as possible, with the exception of the perch-sun. The use of basket is not allowed.
- Fishing is not allowed on the south/east part of the pond, delimited by "Fishing prohibited" signs, which is reserved for the spawning area.
- Predator fishing is prohibited including lures and dead fish handled.

### **PARTICULAR DISPOSITIONS :**

1) Carp fishing cannot be done without a suitable landing net and a landing mat.

**2) The use of braided in all its forms, including sheathed, is strictly prohibited.**

3) The use of a bait boat is not permitted.

4) A sworn person is authorized to control the exercise of fishing and to confiscate the material left unattended.
